

Specifically, in the original Certificate, applicant originally requested that in Column 63 on Line 17, that "a" be changed to "an". The desired change was that "a" be changed to "as". The enclosed Patent Office Form 1050 reflects the desired corrections. In addition, a copy of the new Certificate of Correction showing the desired changes at Line 17 of Column 63 is enclosed. In view of the fact that the printing errors were made by the fault of the applicant, a \$100.00 check is enclosed to cover the costs for issuance of this certificate.

The Commissioner is hereby authorized to charge payment of any fees associated with this communication or credit any overpayment to Deposit Account No. 23-3178. Duplicate copies of this letter are enclosed.

Dated this 29 day of May 2007.
